Tethereum (T99) At Future Blockchain Summit 2022

Dubai World Trade Centre

Dubai, United Arab Emirates Oct 10, 2022 (Issuewire.com) - Future Blockchain Summit (FBS), the MENA region's first and largest blockchain conference and exhibition, will return to Dubai World Trade Centre (DWTC) from 10–13 Oct 2022, serving as a meeting point for the world's most disruptive business technology trends. Over the four days of FBS, industry experts will take advantage of networking opportunities, expert meeting programs, and transformation workshops to explore different topics, including alliance chains; enterprise chains; the future of digital assets, and access to Metaverse.

The TETHEREUM team is ready for exciting interactions at Booth Z4-L59.

Coinstore.com X TETHEREUM Speech Details
